

Inclusion in our school

Now

Extra curricular activities for mentally and physically disadvantaged students

- Depression - individual classes at school/group lessons some - inclusion - socialization
- School phobia - self-esteem therapy + class integration (specialist assistance)
- Autistic children (support specialist + group/individual)
- Dyslexic students - assessment adaptation + revalidation - specialist

Adjustments

Different criteria of assessment exams - spelling etc. out

Adjusted curriculum to their needs taken into account during exams and schoolwork

Supporting teacher (classroom and exam)

Excuslusion of burdensome subjects - language reduction

Equipment - computers used in exams, magnifying glass, aproprate intencity of lighting

Pedagogics/psychologic supervision - meetings - reports - conclusions - implementation - class participation

Revalidation suport - classes/repots/conclusions - optional

Administration and red tape + supervision

Teachers' inter-subjects consultations - frequency - twice a year + reactively (on the spot)

Teacher - pedagogist consultations - if necessary

Teacher - parent - pedagogist briefings - attendance problems

Specialists consultations - if necessary

Hospitations - emergency/planned
